Forest Hills Club

We are a cooperatively owned nudist resort on 45 beautiful wooded acres. Centrally located in mid-Michigan mid-way between Lansing and Grand Rapids, we are a convenient place to make your summer headquarters.

We offer camping and use of our facilities including sporting activities and events in the nude, May 1st through October 31st with members also using it for some winter activities .

We welcome visitors at Forest Hills Club. We ask that visitors arrive during normal business hours, unless prior arrangements are made.

A Co-op Member Owned Club

Our members work together to get the job done, or hire things done by the decision of an elected Board of Directors. Shown above tree removal and clean up on the Center Circle road.

Nudist or Clothing Optional and what's the difference?

Forest Hills is a clothing optional club. This means that you may dress or undress depending on your mood and the weather. The only place we require that you are nude is in our pool and spa.

Our members believe that practicing nudism under the proper circumstances helps to promote a healthy mind and a healthy body. Swimming , gardening and playing sports activities while in the nude allows for a total relaxation experience.

What Should I Bring When Visiting for the first time?

- Bring a towel to sit on
- Bring your own beverages
- Restaurant facilities available on weekends only.

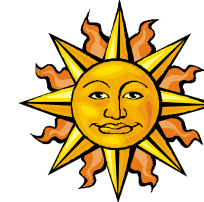

Members got together to build the The Buzz Express Kids Train

We welcome families, couples, singles and children of all ages. We have a modern playground and we are a family oriented club. We do ask that first time visitors come during our scheduled hours.
